

DECLARATION AND POWER OF ATTORNEY

As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name, that I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention, design or discovery entitled PREPAYMENT WRISTBAND AND COMPUTER DEBIT SYSTEM, the specification of which (check one)

 x is attached hereto; or
 was filed on _____
as Application Serial No. _____
and was amended on _____ (if applicable);

that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above; that I do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before the invention or discovery thereof, or patented or described in any printed publication in any country before the invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to the date of this application in any country foreign to the United States of America on an application filed by the inventor, me or my legal representatives or assigns thereof; and that I acknowledge my duty to disclose to the U.S. Patent and Trademark Office all information of which I am aware which is material to patentability as defined in 37 C.F.R. § 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Number	Country	Date Filed	Priority Claimed (Yes) (No)

ASSIGNMENT

WHEREAS we, Joseph M. Mullins and Donald W. Mills, Jr. of 1758 Rosewood Terrace, Ballwin, St. Louis County, Missouri 63021, and 3122 Receda Drive, Tampa, Hillsboro County, Florida 33618; respectively, have invented certain new and useful improvements in **PREPAYMENT WRISTBAND AND COMPUTER DEBIT SYSTEM**, said invention being disclosed, shown and described or intended so to be in an application for Letters Patent in the United States executed by us on the 31st day of January, 1994 and the 24th day of February, 1994, respectively.

WHEREAS BUSCH ENTERTAINMENT CORPORATION (hereinafter referred to as Assignee), a corporation of the State of Delaware, and having its principal place of business at One Busch Place, St. Louis, Missouri 63118, is desirous of acquiring our entire right, title and interest in and to the invention and in and to the said application and any Letters Patent which may be granted therefor in the United States of America and any and all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer to the said Assignee, its successors and assigns, our entire right, title and interest in and to the said invention and in and to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as our interests are concerned, to the said Assignee as assignee of our entire right, title and interest.

We also hereby sell and assign to the said Assignee, its successors and assigns, all our rights in and to the invention disclosed in said application in all countries of the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name and including all rights of priority under the terms of the International Convention for the Protection of Industrial Property and otherwise, all rights to publish

cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries. We further agree to execute any and all powers of attorney, patent applications, assignments, declarations, affidavits and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors or assigns.

We hereby further agree that we will, at the expense of the Assignee, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths and generally do everything reasonably necessary to aid said Assignee, its successors, assigns and nominees, to obtain and enforce proper protection for said invention in all countries throughout the world.

IN WITNESS WHEREOF we have hereunto set our hands and seals on the date set forth below.
